

Julie Stephens,

Thank you so much  
for meeting with me  
last Weds afternoon  
and answering all of  
my questions. I really  
appreciate your time  
and help. And you didn't  
have to do what you did  
with waving the consult  
fee and all. But I thank  
you for it. You are most  
generous. I will not forget  
you for the future.  
Thanks Again!
