Julie,

Thank you from the bottom of our hearts. Yesterday was the happiest day in [redacted] life so far. [redacted]

[redacted] There has been "life before Julie Stephens" and then "life after Julie Stephens", and there is no comparison in terms of how things have brightened and improved in all the kids lives. I am not just sending this to blow smoke, but to recognize that you have helped save the emotional lives of people here, and it would be not too over-dramatic to state that you have also helped save a family, even if it is a broken and divorced one.

To say "we couldn't have done it without you" would be the greatest understatement. [redacted]

[redacted]. I hope you never stop practicing law.

Such a happy day. Thank you again over and over.
