Julie,

None of it is hype nor hyperbole. You have always been there, you have always been professional, truthful, communicative, clarifying, offering options, helping wade through one of the most dragged out, contentious and protracted divorce/custody cases. We will definitely be hoping to contact you if [REDACTED] files for [REDACTED] emancipation on [REDACTED], 2017, and then of course we will be contacting you again for [REDACTED]'s emancipation on [REDACTED], 2018.

Julie, your unbelievable hard work and dedication to your profession meant that I was able to not only restore, but solidify a lifelong happy home with [REDACTED]. Literally, it would not be too overdramatic to state that without you, [REDACTED] and [REDACTED] would have been lost to [REDACTED]'s emotional abuse, bullying and environmental controlling indefinitely. What you fought for literally saved my daughters' lives in multiple areas, and watching them grow, mature and increasingly take on the rest of their lives without undue emotional stress and anxiety is priceless.

I will never forget what you have done, and I thank God for you.

With Gratitude Always,
