Julie,
I was referred to your firm when my previous lawyer became a possible conflict of interest during my case because of my ex husband's fiancée at the time (now wife). You have been amazing. You have been wonderful. I have been so happy with you and your firm. I tell everyone about it. You have made me feel secure. You always answer me honestly but in a kind way and don't blow smoke and tell me we can do things or things are possible and then I find out later that they aren't. I really appreciate the honesty. I also, know that if I have any questions or concerns that you always answer them as soon as possible, no matter how small they might seem. You always make me feel at ease. I know I can send you an email that I want to send my ex to proof and you'll help me with it. These things might seem unimportant to some, but I've been lucky enough to not have to go to court.

You are wonderful and I'm so happy that you are my lawyer.

Thanks for being great!
